## SE-18MS

Straight lens unit

Coaxial lens unit

C mount ring

CCS Macro Lens provides high magnification and performance at a low cost
Magnification ranging from 0.5 x to 6 x and option for HLV Series coaxial light port

SE-16 Series with $0.5 x, 1 x$, and $2 x$ magnifications

Combined use of lens unit, either optional magnification tube, and either mount changes magnification
Interchangeable mount allows for coaxial or external lighting.

SE-18 Series with $2 x, 4 x$, and $6 x$ magnifications

$$
\text { Combined use of } \mathrm{C} \text {-mount ring with either lens unit either optional magnification tube changes magnification. }
$$

$$
\begin{aligned}
& \text { Combined use of C-mount ring with either lens unit either option } \\
& \text { Interchangeable lens unit allows for coaxial or external lighting. }
\end{aligned}
$$
